Sermon takeaways!

“God Uses Anyone Who Listens”

“Barak said to her, “If you go with me, I will go; but if you don’t go with me, I won’t go.” **Judges 4:8**

Story

Deborah obeyed God and helped the people with wisdom. The Israelites were suffering under Sisera, the enemy commander. God told Deborah to send Barak with 10,000 soldiers to fight, but Barak was afraid and asked Deborah to go with him. Deborah said God would use a woman to defeat Sisera. After the battle, Sisera escaped and hid in Jael’s tent. While he slept, Jael defeated him. Just as God promised, a woman saved Israel from their enemies.

What God Taught Us Today

- **God can use anyone—boys or girls—to do His work when they listen to Him.**
- **Even when we feel scared like Barak, God gives us courage when we trust Him.**
- **Deborah and Jael remind us that obeying God brings victory and helps others.**
